SPORT

The ESN Torino Sport Group welcomes volunteers and Erasmus students united by a **passion for the sports** they practice or follow.

The team organizes, weekly, several sports events:

- beach volleyball matches on Wednesday and Saturday afternoon,
- soccer tournaments on Sundays,
- climbing classes in the gym.

In addition, we organise seasonal activities such as ice skating and ski days in the nearby Piedmont and Valdostane valleys, as well as canoeing or tennis lessons to be practiced outdoors during the good season.

STUDENTS HELPING STUDENTS!

Who we are

Erasmus Student Network (ESN), is the largest **voluntary student** association in Europe, present in **more than 40** countries. It operates on three levels: international, national and local.

Erasmus Student Network - ESN Torino, born from the initiative of a group of students from Turin, officially joined the **ESN Italia** network in March 2017.

Over time, our small section has grown enormously in terms of numbers of volunteers, but also from the point of view of the international students, by participating in the activities of the association at national level: in this way, we established ourselves in the Italian network and gained prestige in the city context.

The pre-evenings of these three days take place at the Chupa - la Chupiteria in San Salvario.
